STORIES FROM THE STATE

Advocates from across the country submit their patient stories about 24/7 care, Medicare, Medicaid and rural healthcare access in order to highlight the importance of access to care.

“ Medicare saved me so much money when I became physically and mentally disabled and could no longer work as an OR nurse. Medicare has been here for me and so many others.

Lisa Matthews

“ At Forrest City Hospital, I experienced such good care. They helped me get my heart back in rhythm. They were very caring and took great care of me for three days.
