“
As a nurse I will absolutely stand behind people having 24/7 and 365 access to healthcare. A person can go from looking perfectly healthy and even their vitals being stable to being in a life-threatening situations in moments.

Thankful to the doctors, nurses and nurse aides who took care of my mom while she was hospitalized twice in two months. Based on her admitting symptoms, they were able to run tests to confirm a cancer diagnosis. They kept her very comfortable and managed other health issues and weight concerns.
