STORIES FROM THE STATE

Advocates from across the country submit their patient stories about 24/7 care, Medicare, Medicaid and rural healthcare access in order to highlight the importance of access to care.

“ I use Medicare as my first insurance for medical needs. Along with my supplemental insurance, I can get the care I need to stay healthy. Protect Medicare!

Kay Merica

“ I didn't know I was in congestive heart failure for a couple of years. I had to have open heart surgery. Without Medicare I don't know what I would have done. Cutting Medicare isn't the answer.
