## STORIES FROM THE STATE

Advocates from across the country submit their patient stories about 24/7 care, Medicare, Medicaid and rural healthcare access in order to highlight the importance of access to care.

I am 72. Without Medicare and Medicaid I would be dead. In 2020, I started passing out, and I was diagnosed with blood cancer referred to as, follicular lymphoma. If cuts are made to Medicare and Medicaid, it will take away any chance for myself and others that are suffering.
